Hi Michael,
Thanks for proposing this set of meetings. I cc'd our EPA team so they are aware of the meetings.

Subject: Proposed agenda for next three BDCP Meetings (Oct 22, Nov 5 and Nov 19)

All,

I'd like to propose some structure for our upcoming BDCP meetings. As you know they were set up largely to deal with Corps comments.

I think to make progress I'd like to propose that the first three meetings be each focused on specific topics so that we can get through them, and give each attention. If we try to do them all at once I think we'll end up spending all of our time on one topic and not get to the others.

So I am suggesting:

Oct 22 - I would lead a discussion on Corps needs for information and analysis on section 10 RHA.

Nov 5 - Meegan Nagy would lead discussion on Corps needs for information and analysis on section 14 RHA.

Nov 19 - Sue Clark and Erin Foresman would lead discussion on Corps needs for information and analysis on section 404 CWA

How's that sound?
